

A New Chapter Begins: Welcoming Our Managing Director

www.cmcauk.co.uk

I'm proud to share that I've recently stepped into the role of Managing Director at CMCA(UK). Having previously served as General Manager, I've had the privilege of working closely with our dedicated team, valued suppliers, and loyal customers — and I'm honoured to take this next step in our journey together.

This transition comes at an exciting time for our business. With strong foundations and a clear vision, we're poised for continued growth and innovation. My focus remains on strengthening the relationships that have brought us this far, while also exploring new opportunities to create even more value for our partners.

Alongside my new role at CMCA(UK), I am also proud to serve on the board of the International Institute of Obsolescence Management (IIOM), helping to shape best practices across the industry.

As we move forward, you can count on the same commitment to quality, integrity, and service that you've come to expect. I'm genuinely excited about what lies ahead and grateful for your continued support as we step into this promising new chapter.
