

Russell Gordge Joins UKC Group as Group Development Director

The UKC Group is pleased to announce that Russell Gordge has joined the team as Group Development Director.

Russell brings over 30 years of experience in strategic business growth, electronic distribution, and sales management. His extensive background spans technical semiconductor manufacturing and component sourcing. He has previously worked for organisations such as Arrow Electronics, Integral, Lexar, Future Electronics and 2001 Electronic Components.

UKC Group Managing Director, Imran Khan, previously worked with Russell at 2001 and now, with their shared experiences in the industry, hope to develop the groups capabilities with solving the challenges of obsolescence.
